# ABOUT US

Welcome To Durameds, your number one source for all your pharmacy and DME needs. We're dedicated to providing you with the best service and products so that you can have a profitable business.

Have you thought about where your business will be in the next 5 years?

Prices of everything in the market are skyrocketing and because of this, Durameds places a heavy emphasis on keeping costs down so that your business can maximize profits.

Everything we do is custom tailored for your business so that you can retain and grow your customer base.

We pride ourselves in the commitment to always serve your company, no matter what.

Founded in 2020, Durable Health Medical Supply has come a long way from its humble beginnings in Brooklyn, NY.

When we first started out, our passion for improving the slowly dying pharmacy industry drove us to start our own distribution business so that we can tackle the increased costs of medical supplies and give pharmacies and DME's the security they need to thrive in a competitive world.

Today, Durameds proudly serves pharmacies all across New York City.

We hope you enjoy our products as much as we enjoy serving them to you. If you have any questions or comments, please don't hesitate to contact us.
